**Notes:**

Medically evacuated persons listed separately; evacuation place may differ from port of disembarkation. The number of children is based on their declaration upon disembarkation and may have been subsequently adjusted. For some operations, only the number of unaccompanied children is available. In multiple rescue operations, the table shows the number of days of those staying longest at sea.

AC = accompanied children;  
MSF = Médecins Sans Frontières;  
NGO = non-governmental organisation;  
UAC = unaccompanied children.
